

# Private medical insurance donations

**If you have private medical insurance that you have taken out for yourself or that an employer has on your behalf, there may be a way you can help St Helena to continue providing our services.**

**Many health insurers are willing to recognise services provided to their members in the form of a donation to St Helena. If you have insurance we can write to your insurer asking for such a donation which will assist in funding future care here at St Helena at no cost to you. Whether you are receiving care from our Hospice at Home team, attending Day Therapies, receiving visits from our Healthcare professionals as part of our Virtual Ward or staying at The Hospice we may be able to request a donation from your insurance company.**

**Of course, there is absolutely no obligation for you to provide us with this information.**

## What do I need to do?

If you have private medical insurance, let us know by filling in your details below and passing this leaflet onto a member of staff.

We will then write to your insurer asking for a donation.

## How much does St Helena receive?

The amount we receive will vary depending on the insurer and your policy, and not all policies include hospice care. Whatever the result, we will notify you of the response from your insurer.

## Does my insurer donate?

Here are some insurers who have donated to hospices in the past.

This list is not exhaustive, so if you don't see your insurer below it is still worth checking.

- Aviva Healthcare
- Axa PPP
- Bupa
- CS Healthcare
- Purehealth
- WPA
- Exeter Friendly Society
- Simply Health

To reorder supplies of this leaflet or if you require this publication in a different format, i.e. larger font, audio or another language, please email [literature@sthelena.org.uk](mailto:literature@sthelena.org.uk) quoting SH05
